Prepared by:Michael GrahamReviewed by:Wendy GibsonDate:June 9, 2025

Bill Title: Relating to state financial administration; declaring an emergency.

Government Unit(s) Affected: Teacher Standards and Practices Commission

Summary of Fiscal Impact

The measure does not increase agency expenditures, but it is anticipated to increase agency revenues - see explanatory analysis.

Measure Description

The measure ratifies a \$10 licensing system fee that was adopted by the Teacher Standards and Practices Commission (TSPC) and approved by the Department of Administrative Services during the 2023-25 biennium.

Fiscal Analysis

ORS 291.055(1)(e) stipulates that all new state agency fees or fee increases adopted between the date of adjournment sine die of a regular session of the Legislative Assembly, and the date of adjournment sine die of the next regular session of the Legislative Assembly, are rescinded upon adjournment sine die of the next regular session of the Legislative Assembly, unless the fee is authorized by enabling legislation.

The measure does not increase TSPC expenditures, but it is expected to increase TSPC revenues. The measure ratifies a licensing system fee of \$10. Previously, TSPC collected \$5, and the licensing system vendor collected \$10, for a total customer payment of \$15. Due to a legal settlement with the licensing system vendor, \$5 of the vendor's fee is now transferred to TSPC. However, the total customer payment total remains unchanged. According to TSPC, the measure will increase revenues by \$115,000 per year, or \$230,000 per biennium.

Relevant Dates

The measure declares an emergency and takes effect on July 1, 2025.
