JOINT COMMITTEE ON WAYS AND MEANS

Senator Girod, Senate Co-Vice Chair
Representative Gomberg, House Co-Vice Chair
Representative Smith, House Co-Vice Chair

To: Human Services Subcommittee
From: Matt Stayner, Legislative Fiscal Office
Date: June 12, 2025
Subject: HB 3321 – Relating to primary prevention of substance use
Work Session Recommendations

The measure requires the Alcohol and Drug Policy Commission, budgeted within the Oregon Health Authority to develop, and implement plans that address the entire continuum of care for youth and are designed to prevent the onset of substance use. ADPC is additionally required to provide education and technical support to providers.

OHA estimates that the cost to conduct an assessment of current primary prevention programs and gaps in care will be \$500,000. The cost to provide education and technical support to providers is estimated to be \$421,232. Although the agency identified staffing needs associated with this workload, these positions are duplicative to positions that were authorized for the program in the agency's primary budget bill, HB 5025.

The recommended amendment adds appropriation language to the measure, providing one-time funding to address the costs of implementation.
