Fiscal Analysis

ORS 291.055 stipulates that all new state agency fees or fee increases adopted between the date of adjournment sine die of a regular session of the Legislative Assembly, and the date of adjournment sine die of the next regular session of the Legislative Assembly, are rescinded upon adjournment sine die of the next regular session unless the fee is authorized by enabling legislation. This measure provides the enabling legislation necessary to approve fees adopted through administrative rule by DHS during the interim period between legislative sessions.

DHS adopted the following new fees:

- Medicaid agency certificate: \$500 for new applications and at each renewal
- New initial application for in-home supported living: \$100
- Renewal applications for in-home supported living: \$50

DHS increased the following fees:

- New initial application for a 24-hour residential license located in Multnomah, Clackamas or Washington counties increased from \$50 to \$75.

DHS will maintain the current renewal application fee for 24-hour residential settings and host homes at \$50.

These new and increased fees are estimated to generate \$545,775 in 2025-27.
