

SUBCOMMITTEE RECOMMENDATION

HB 3064

Relating to health care coverage beginning at perimenopause

To: Ways and Means Full Committee
From: Human Services Subcommittee
Carrier: Representative Valderrama

HB 3064 requires health insurance plans in Oregon to cover the treatment of perimenopause, menopause, and post-menopause.

Currently, both the Public Employees Benefit Board and the Oregon Educator's Benefit Board include coverage for menopause support. However, the expansion of covered drugs is expected to increase costs for PEBB by \$1.1 million and by \$291,077 for OEGB.

The Human Services Subcommittee recommends HB 3064 be amended by the –A3 amendment and be reported out do pass, as amended.
