Work Session Recommendations

SB 960 relates to state financial administration. The -3 amendment replaces the bill. The amended version is referred to as the “Program Change” measure. The measure has an emergency clause and is effective upon passage.

The measure, as amended, implements the statutory changes necessary to support the 2025-27 legislatively adopted budget and to clarify the application of statutes. The bill is not an appropriation bill and therefore does not include the appropriation of funds. The fiscal or budgetary impacts of provisions of this measure are contained in HB 5006 (budget reconciliation) and in agency budget measures for the 2025-27 biennium.
