

SUBCOMMITTEE RECOMMENDATION

SB 5506

Capital Construction

To: Ways and Means Full Committee
From: Capital Construction Subcommittee
Carrier: Senator Girod

SB 5506 is the budget bill for capital construction projects. The bill establishes authority for the acquisition of land and the planning, design, repair, and construction of projects with costs over \$1 million. Projects are funded with proceeds of bonds authorized in SB 5505, as well as other revenues and federal grants received by agencies.

The Capital Construction Subcommittee recommends total capital construction expenditure limitation for the 2025-27 biennium of \$1.4 billion Other Funds and \$49 million Federal Funds. Capital construction expenditure limitation is established for a six-year period. Projects approved in this bill will expire on June 30, 2031. The bill also extends dates for previously approved projects.

The budget report provides a detailed list of capital construction project descriptions and recommended amounts.

The Capital Construction Subcommittee recommends SB 5506 be amended by the –2 amendment and be reported out do pass, as amended.
