### SUMMARY

Digest: Tells a health care facility to make a process that a staff member may use to complain if the staff member believes in good faith supply or equipment is not safe. (Flesch Readability Score: 60.7).

Directs a health care facility to establish and maintain procedures that a staff member may use to submit to the health care facility a complaint regarding a medical supply or equipment that the staff member believes in good faith is faulty or dangerous.

Requires the health care facility to retain a complaint and associated information for 10 years, inform a person if the health care facility uses, has used or stops using a medical supply or equipment that is subject to a complaint and establish and maintain procedures that a person may use to obtain a copy of a complaint and associated information.

## **NOTICE OF NO OPEN GOVERNMENT IMPACT**
