### SUMMARY

Digest: The Act requires proof that workers in building trades have licenses. (Flesch Readability Score: 72.6).

Requires that a building permit must show a contractor's Construction Contractors Board license number if the contractor is known.

Requires an inspector performing building code inspection as part of a building inspection program, or for the purpose of enforcing a municipal ordinance, to require that persons engaged in regulated building activity present evidence of compliance with applicable licensing, registration or certification requirements.

Requires that a municipality ensure that a person issued a permit for work requiring a Construction Contractors Board license holds a Construction Contractors Board license.

Requires the Director of the Department of Consumer and Business Services to inform the Construction Contractors Board when the director has reason to believe that a person is engaging, has engaged or plans to engage in a violation of laws regarding licensing and endorsement of construction contractors.
