

Open Government Impact Statement

83rd Oregon Legislative Assembly
2025 Regular Session

Measure: HB 2943

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Dexter A. Johnson
Date: 1/17/2025

SUMMARY

Digest: Directs a hospital to conduct an HIV test and a syphilis test when a person has other blood tests done at the ED, unless the person opts out of the test. (Flesch Readability Score: 63.4).

Directs a hospital to conduct HIV and syphilis screening when an individual undergoes a blood test or analysis as part of medical care received within an emergency department, unless the individual declines a test. Provides for exceptions.

Requires health insurance coverage of HIV and syphilis screening conducted at a hospital emergency department.

Appropriates moneys from the General Fund to the Oregon Health Authority to cover costs incurred by counties in carrying out investigation and outreach related to the increase in HIV and syphilis screening.

Takes effect on the 91st day following adjournment sine die.
