### SUMMARY

Digest: Makes a state energy program abate costs of reports and not make state agencies do the same things twice that must be done under another program. (Flesch Readability Score: 60.0).

Requires the program for state agency facility energy design to minimize costs of reports to state agencies and minimize duplication of reporting requirements under the energy performance program for covered commercial buildings.

Removes a requirement that the Director of the State Department of Energy submit a biennial report to the Legislative Assembly on the small scale local energy loan program funds.
