

Open Government Impact Statement

83rd Oregon Legislative Assembly
2025 Regular Session

Measure: HB 3272

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Dexter A. Johnson
Date: 1/21/2025

SUMMARY

Digest: Tells colleges to give course credit to an incoming student who took part in certain programs while the student was in high school. (Flesch Readability Score: 65.7).

Requires a public institution of higher education to award academic credit when an enrolled student completed a high school class or participated in a high school program that offered learning and experiences comparable to an introductory communications, public speaking or argumentation course offered at the institution.

Requires the institution to award two or four academic credits to each student who participated in specified programs affiliated with national organizations. Prohibits an institution from requiring certain students to take an introductory communications, public speaking or argumentation course offered at the institution as a prerequisite for taking more advanced courses at the institution.
