Bill Title: Relating to public assistance; declaring an emergency.

Government Unit(s) Affected: Department of Human Services

Summary of Fiscal Impact

This fiscal impact statement is for the purpose of transmitting the measure from the Senate Committee on Human Services to the Joint Committee on Ways and Means.

The measure requires the Department of Human Services to implement the Food For All Oregonians Program and begin issuing and accepting applications by January 1, 2027. The measure applies to individuals who would qualify for the Supplemental Nutrition Assistance Program (SNAP) but for their immigration status. As the Food for All Oregonians Program will not qualify for Federal Funds due to immigration status eligibility requirements, the program will be supported by General Fund only.

A more complete fiscal analysis on the measure will be prepared as the measure is considered in the Joint Committee on Ways and Means.
