Bill Title: Relating to equitable access to health care services.

Government Unit(s) Affected: Oregon Health Authority

Summary of Fiscal Impact

This fiscal impact statement is for the purpose of transmitting the measure from the Senate Health Care to the Joint Committee on Ways and Means.

The measure requires the Oregon Health Authority and Coordinated Care Organizations to reimburse primary care providers, optometry services, dental care services and behavioral health services at a rate no less than the average, geographically adjusted rate paid by commercial health plans. However, the measure prohibits OHA from requesting an increase in General Fund appropriations or in expenditure limitations to implement the bill.
