Bill Title: Relating to microgrids; prescribing an effective date.

Government Unit(s) Affected: Department of Consumer and Business Services, Public Utility Commission

Summary of Fiscal Impact

This fiscal impact statement is for the purpose of transmitting the measure from the House Committee on Climate, Energy, and Environment to the Joint Committee on Ways and Means.

The measure requires the Public Utility Commission to investigate and establish a regulatory framework for microgrids and community microgrids, including interconnection standards, compensation models, and coordination requirements with electric utilities. To implement the measure, the Public Utility Commission anticipates increased workload and associated costs.

A more complete fiscal analysis on the measure will be prepared as the measure is considered in the Joint Committee on Ways and Means.
