

Open Government Impact Statement

83rd Oregon Legislative Assembly
2025 Regular Session

Measure: HB 2065 - A

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Dexter A. Johnson
Date: 4/15/2025

SUMMARY

Digest: Allows the use of a third party to study or evaluate a request to connect a microgrid to a power grid. (Flesch Readability Score: 60.6).

Allows a person to contract with a third-party consultant to conduct a study or engineering evaluation that a public utility requires for an application to interconnect a microgrid or community microgrid. Allows a contracted third-party consultant to receive from a public utility all technical data necessary to conduct the study or engineering evaluation and submit to the public utility a preliminary design for review. Requires a public utility to approve or deny an application based on safety, reliability and compliance with published standards.

Takes effect on the 91st day following adjournment sine die.
