

Open Government Impact Statement

83rd Oregon Legislative Assembly
2025 Regular Session

Measure: HB 2506 - A

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Dexter A. Johnson
Date: 5/7/2025

SUMMARY

Digest: The Act tells the ADPC and OHA to make changes to increase access to SUD treatment. (Flesch Readability Score: 79.5).

Directs the Alcohol and Drug Policy Commission, in collaboration with the Oregon Health Authority, to develop statewide policies and practices to support the availability of medications for opioid use disorder in physical health care settings and the transition to care in the community. Directs the commission to report to the Legislative Assembly no later than September 30, 2026.

Directs the authority, in collaboration with the commission, to develop recommendations to develop an enhanced funding model to incentivize community-based outpatient providers of substance use disorder treatment to accept referrals from emergency departments and emergency medical services providers and to promote the prescribing of medications for opioid use disorder.

Repeals the prohibition against operating a methadone clinic within 1,000 feet of a school or licensed child care facility.

Declares an emergency, effective on passage.
