BACKGROUND:

School nurses are registered nurses who are certified by the Teacher Standards and Practices Commission (ORS 342.455). Each school district in Oregon is required to have a registered nurse or school nurse staff at specified ratios for medically complex, fragile, or dependent children (ORS 336.201). Districts are also encouraged to have one registered nurse or school nurse for every 750 children in the district.

House Bill 2948 A provides that only a registered nurse may supervise a nurse in a school setting with respect to the practice of nursing.
