Impact Explanation:

The measure exempts sales receipts from the administration or dispensing of medications in a clinical setting other than a hospital from the Corporate Activity Tax (CAT). The impact estimate used Oregon Department of Revenue CAT industry tax returns data and Keizer Family Foundation retail prescription drugs sales data to establish a base year impact. Keizer Family Foundation retail prescription drugs sales data and Oregon Office of Economic Analysis CAT forecast data are used to forecast the base year estimate forward. Data on the timing of tax year return receipts was used to estimate fiscal year impacts from tax year impacts.
