BACKGROUND:

The Oregon voters' pamphlet is a publication produced and distributed by the Secretary of State (SOS) Elections Division. It is produced for each primary and general election, as well as for any special statewide election. One copy of the voters' pamphlet is mailed to every household in the state and includes information about candidates, including a photo if one is submitted, measures, recognized political parties, and any assembly of electors. It also includes instructions for marking the ballot, a complete list of federal and state candidates, and other information on the voting process.

A county may publish a county voters' pamphlet and distribute it themselves, publish a county voters' pamphlet and have it inserted into the state voters' pamphlet for elections that the SOS is required to publish a pamphlet, or not publish a county voters' pamphlet and have certain local candidates and measures be eligible for inclusion in the state voters' pamphlet (OAR 165-007-0030).

Current law allows the SOS to specify the date by which a candidate must submit a photo to be included in the voters' pamphlet for any election.
