* Excludes Capital Construction expenditures

Summary of Revenue Changes

Senate Bill 494 appropriates \$229,154 to the Department of Administrative Services to conduct a classification and compensation study on forestry and wildland fire positions in state government.

Summary of Capital Construction Subcommittee Action

Senate Bill 494 directs the Department of Administrative Services (DAS) to conduct a study on classification and compensation for forestry and wildland fire positions in state government. The study must evaluate wage and management compression resulting from classification and compensation changes, identify deficiencies in the Oregon Department of Forestry organizational structure, and recommend adjustments to span of control, employee classifications, and staffing levels. Further, DAS is required to submit a report to the interim committees of the Legislative Assembly related to natural resources and wildfire by September 15, 2026.

The bill includes a one-time General Fund appropriation of \$229,154 to implement the provisions of the measure. This includes funding for one limited duration Human Resource Consultant 1 position (0.75 FTE) at an estimated cost of \$215,446 General Fund for personal services and \$13,708 General Fund for associated services and supplies costs. This position will support the study for 18 months of the biennium under the direction of existing staff.
