Senate Bill 1168 prohibits home health agencies and hospice programs from paying staff on a per-visit basis. The bill expands the provisions prohibiting per-visit compensation from nurses to “home health care staff” or “hospice care staff,” which includes home care workers, direct care workers, physicians, nurse practitioners, psychiatrists, psychologists, volunteers, or certain supervisors.

The Subcommittee recommended \$159,362 General Fund to BOLI for one permanent, full-time Compliance Specialist 1 position (0.75 FTE) and services and supplies necessary for enforcing compliance for the provisions of the bill.
