## **Summary of Revenue Changes**

Senate Bill 842 appropriates \$63,860 General Fund for the Oregon State Hospital (OSH) to pay increased hospital license fees for the Salem and Junction City campuses. The measure is projected to generate \$2.8 million in revenue for the Oregon Health Authority (OHA) in the 2025-27 biennium through increased licensing fees.

## **Summary of Capital Construction Subcommittee Action**

Senate Bill 842 increases the annual license fees that hospitals pay to OHA, makes information obtained during an intake, triage, or investigation of a complaint confidential, and allows OHA to accept federal certifications and accreditations in lieu of in-person inspections if a facility provides summary documentation within a specified timeframe.

The measure is projected to generate \$2.8 million in revenue for the 2025-27 biennia. As a hospital subject to state licensing, OSH expects to pay an additional \$63,860 General Fund for the increased fees in the 2025-27 biennium, of which \$43,860 is for the Salem Campus and \$20,000 is for the Junction City Campus.
