- Removes language requiring HECC to distribute funds appropriated under Senate Bill 1545 (2022) within 60 days of March 17, 2022, and instead requires HECC to distribute funds appropriated for the Prosperity 10,000 Program to local workforce development boards.

EFFECT OF AMENDMENT:

The amendment replaces the measure.

BACKGROUND:

In 2022, the Legislative Assembly enacted a \$200 million package of workforce development investments known as Future Ready Oregon in [Senate Bill 1545 \(2022\)](#). Of that investment, \$35 million was directed toward local workforce development boards under a program known as Prosperity 10,000.

Local workforce development boards are a system of business-led boards in all 50 states that are funded by the federal Workforce Innovation and Opportunity Act (WIOA). In Oregon, there are nine local workforce areas, as well as a statewide Workforce & Talent Development Board, which is tasked with advising the Governor on workforce matters and developing a strategic plan for workforce development. The Higher Education Coordinating Commission (HECC) is responsible for administering both Future Ready Oregon and WIOA programs
