

## B-Engrossed House Bill 2169

Ordered by the House June 11  
Including House Amendments dated March 21 and June 11

Introduced and printed pursuant to House Rule 12.00. Pre-session filed (at the request of House Interim Committee on Agriculture, Land Use, Natural Resources, and Water for Representatives Ken Helm, Mark Owens)

### SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure. The statement includes a measure digest written in compliance with applicable readability standards.

Digest: This Act sets state policy on water reuse and tells DEQ to make a water reuse team. (Flesch Readability Score: 85.1).

Establishes state policy on water reuse. Directs the Department of Environmental Quality to establish an interagency water reuse team.

Declares an emergency, effective July 1, 2025.

### A BILL FOR AN ACT

Relating to water reuse; and declaring an emergency.

**Be It Enacted by the People of the State of Oregon:**

**SECTION 1. (1) The Legislative Assembly finds and declares that it is the policy of this state to encourage water reuse and to expand opportunities for water reuse in this state in a manner that protects public health and the environment.**

**(2) The Legislative Assembly finds and declares that it is the policy of this state that agencies of state government, as defined in ORS 174.111, work together to encourage and expand opportunities for water reuse by overcoming institutional and regulatory barriers and funding constraints and improving policies and internal operations related to water reuse.**

**SECTION 2. (1) The Department of Environmental Quality shall establish and lead an interagency water reuse team. The Water Resources Department, the Oregon Health Authority, the State Department of Agriculture and the State Department of Fish and Wildlife shall participate in the water reuse team. Other agencies of state government, as defined in ORS 174.111, shall participate in the water reuse team as requested by the Department of Environmental Quality. The Department of Environmental Quality may enter into interagency agreements to support the participation of other agencies of state government in the water reuse team.**

**(2) The Department of Environmental Quality, with support from the water reuse team where appropriate, and in consultation with municipal wastewater utilities, industry stakeholders and other interested parties, shall:**

**(a) Provide training and education to state agency staff, potential reuse project applicants and the public on the benefits and drivers of water reuse projects and the state policy to encourage and expand opportunities for water reuse in a manner that protects public health and the environment;**

**(b) Identify and work toward resolution of, with respect to the development of water re-**

**NOTE:** Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 use projects, internal barriers within agencies, information needs within agencies and con-  
2 flicts between agencies, to better enable state agencies to encourage and support expanded  
3 water reuse in this state;

4 (c) Evaluate environmentally protective approaches that have been successfully employed  
5 by other state water reuse programs and that may be appropriate for water reuse in this  
6 state;

7 (d) Identify and propose regulatory changes needed to overcome barriers to water reuse  
8 in a manner that protects public health and the environment, including, but not limited to,  
9 changes to state agency policies and internal guidance, administrative rules and state stat-  
10 utes;

11 (e) Work to improve interagency collaboration and resolve conflicts, consistent with each  
12 agency's designated role and responsibilities, to encourage water reuse projects in a manner  
13 that protects public health and the environment;

14 (f) Ensure that information and agency contacts regarding water reuse are current and  
15 accessible to the public;

16 (g) Promote consistent and timely responsiveness to requests for information from the  
17 public or other government agencies regarding water reuse;

18 (h) Develop technical assistance guidance, or other resources, for local governments, in-  
19 dustries and nongovernmental organizations seeking permitting and the development of wa-  
20 ter reuse programs; and

21 (i) Establish goals and performance metrics on water reuse development in this state.

22 **SECTION 3.** No later than December 15 of each odd-numbered year, the Department of  
23 Environmental Quality, in coordination with the interagency water reuse team established  
24 under section 2 of this 2025 Act, shall submit a report in the manner provided by ORS 192.245  
25 to the interim committees of the Legislative Assembly related to the environment. The re-  
26 port must describe the progress made toward achieving the water reuse development goals  
27 established under section 2 (2)(i) of this 2025 Act.

28 **SECTION 4.** Section 3 of this 2025 Act is repealed on January 2, 2032.

29 **SECTION 5.** Notwithstanding any other provision of law, the General Fund appropriation  
30 made to the Department of Environmental Quality by section 1 (2), chapter \_\_\_\_\_, Oregon  
31 Laws 2025 (Enrolled Senate Bill 5520), for the biennium beginning July 1, 2025, for water  
32 quality, is increased by \$295,126 to carry out sections 1 to 3 of this 2025 Act.

33 **SECTION 6.** This 2025 Act being necessary for the immediate preservation of the public  
34 peace, health and safety, an emergency is declared to exist, and this 2025 Act takes effect  
35 July 1, 2025.
