

HOUSE AMENDMENTS TO HOUSE BILL 2680

By COMMITTEE ON COMMERCE AND CONSUMER PROTECTION

April 14

On page 1 of the printed bill, delete lines 5 through 27 and delete pages 2 through 4 and insert:

“SECTION 1. (1) As used in this section:

“(a)(A) ‘Fenestration product or system’ means a window, glass, glazing or glazing system or skylight, whether installed in a horizontal or vertical plane, that is designed to provide a weatherproof barrier.

“(B) ‘Fenestration product or system’ does not include a premanufactured window or skylight.

“(b) ‘National certification’ means a certification that meets one of the following standards:

“(A) For glazing contractors, a certification that is in effect on the effective date of this 2025 Act and that Administrative Management Systems, Incorporated, or a successor organization, administers under the North American Contractor Certification program; or

“(B) For architectural glass and metal technicians, the Architectural Glass and Metal Technician national certification, as in effect on the effective date of this 2025 Act, that Administrative Management Systems, Incorporated, or a successor organization, administers.

“(c) ‘Public agency’ means the State of Oregon or a political subdivision of the State of Oregon or a county, city, district, authority, public corporation or public entity that is organized and exists under a law or charter or an instrumentality of the county, city, district, authority, public corporation or public entity.

“(d) ‘Public building’ has the meaning given that term in ORS 455.560.

“(e) ‘Public funds’ means funds of which an officer or employee of a public body, as defined in ORS 174.109, has custody or control by virtue of a legal right that the public body confers by law upon the officer or employee to direct the collection, use or transfer of moneys payable to, belonging to or collected for the public body.

“(2) A public agency that provides public funds to install, repair or remodel a fenestration product or system in a public building that the public agency constructs, remodels or repairs and owns or leases shall require, as a condition of providing the public funds for the installation, repair or remodeling, that:

“(a) The contractor that installs, repairs or remodels the fenestration product or system:

“(A) Has all licenses and insurance required to perform construction work in this state; and

“(B) Has a national certification as a glazing contractor; and

“(b) One or more of the workers or technicians that provides the labor for, or direct oversight of, the installation, repair or remodeling has a national certification as an archi-

1 tectural glass and metal technician.

2 “(3) The requirement set forth in subsection (2) of this section applies to public buildings
3 in which a public agency provides of \$25 million or more in public funds for new construction
4 or \$5 million or more in public funds for installing, repairing or remodeling, but not for
5 providing routine maintenance for, a fenestration product or system in a public building that
6 the public agency constructs, remodels or repairs and owns or leases.

7 “(4) A contractor that installs, repairs or remodels a fenestration product or system in
8 a public building described in subsection (3) of this section, in addition to having a national
9 certification as a glazing contractor, must employ at least one worker or technician with a
10 national certification as an architectural glass and metal technician.

11 “**SECTION 2.** Section 1 of this 2025 Act is amended to read:

12 “**Sec. 1.** (1) As used in this section:

13 “(a)(A) ‘Fenestration product or system’ means a window, glass, glazing or glazing system or
14 skylight, whether installed in a horizontal or vertical plane, that is designed to provide a
15 weatherproof barrier.

16 “(B) ‘Fenestration product or system’ does not include a premanufactured window or skylight.

17 “(b) ‘National certification’ means a certification that meets one of the following standards:

18 “(A) For glazing contractors, a certification that is in effect on the effective date of this 2025
19 Act and that Administrative Management Systems, Incorporated, or a successor organization, ad-
20 ministers under the North American Contractor Certification program; or

21 “(B) For architectural glass and metal technicians, the Architectural Glass and Metal Techni-
22 cian national certification, as in effect on the effective date of this 2025 Act, that Administrative
23 Management Systems, Incorporated, or a successor organization, administers.

24 “(c) ‘Public agency’ means the State of Oregon or a political subdivision of the State of Oregon
25 or a county, city, district, authority, public corporation or public entity that is organized and exists
26 under a law or charter or an instrumentality of the county, city, district, authority, public corpo-
27 ration or public entity.

28 “(d) ‘Public building’ has the meaning given that term in ORS 455.560.

29 “(e) ‘Public funds’ means funds of which an officer or employee of a public body, as defined in
30 ORS 174.109, has custody or control by virtue of a legal right that the public body confers by law
31 upon the officer or employee to direct the collection, use or transfer of moneys payable to, belonging
32 to or collected for the public body.

33 “(2) A public agency that provides public funds to install, repair or remodel a fenestration
34 product or system in a public building that the public agency constructs, remodels or repairs and
35 owns or leases shall require, as a condition of providing the public funds for the installation, repair
36 or remodeling, that:

37 “(a) The contractor that installs, repairs or remodels the fenestration product or system:

38 “(A) Has all licenses and insurance required to perform construction work in this state; and

39 “(B) Has a national certification as a glazing contractor; and

40 “(b) One or more of the workers or technicians that provides the labor for, or direct oversight
41 of, the installation, repair or remodeling has a national certification as an architectural glass and
42 metal technician.

43 “(3) The requirement set forth in subsection (2) of this section applies to public buildings in
44 which a public agency provides of \$25 million or more in public funds for new construction or \$5
45 million or more in public funds for installing, repairing or remodeling, but not for providing routine

1 maintenance for, a fenestration product or system in a public building that the public agency con-
2 structs, remodels or repairs and owns or leases.

3 “(4) A contractor that installs, repairs or remodels a fenestration product or system in a public
4 building described in subsection (3) of this section, in addition to having a national certification as
5 a glazing contractor, must [*employ at least one worker or technician with a national certification as*
6 *an architectural glass and metal technician*] **demonstrate to the public agency as a condition of**
7 **receiving public funds that at least 25 percent of the contractor’s employees who install, re-**
8 **pair or remodel fenestration products or systems have a national certification as architec-**
9 **tural glass and metal technicians.**

10 **“SECTION 3. (1) Section 1 of this 2025 Act becomes operative on July 1, 2027.**

11 **“(2) The amendments to section 1 of this 2025 Act by section 2 of this 2025 Act become**
12 **operative on July 1, 2028.**

13 **“SECTION 4. This 2025 Act takes effect on the 91st day after the date on which the 2025**
14 **regular session of the Eighty-third Legislative Assembly adjourns sine die.”.**
