

# A-Engrossed House Bill 2955

Ordered by the House April 7  
Including House Amendments dated April 7

Sponsored by Representative TRAN; Representative JAVADI (Presession filed.)

## SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure. The statement includes a measure digest written in compliance with applicable readability standards.

Digest: The Act requires the state Medicaid program to cover a type of diabetes treatment in some cases. (Flesch Readability Score: 60.1).

Requires medical assistance to include continuous glucose monitors for specified recipients of medical assistance.

Declares an emergency, effective on passage.

## A BILL FOR AN ACT

Relating to continuous glucose monitors; and declaring an emergency.

**Be It Enacted by the People of the State of Oregon:**

**SECTION 1. Section 2 of this 2025 Act is added to and made a part of ORS chapter 414.**

**SECTION 2. (1) As used in this section, "continuous glucose monitor" means:**

**(a) An instrument or device that is designed and offered for the purpose of measuring glucose levels at set intervals; and**

**(b) Any repair or replacement parts for the instrument or device.**

**(2) Notwithstanding ORS 414.065 and 414.690, medical assistance shall include a continuous glucose monitor prescribed for a recipient of medical assistance if the recipient:**

**(a)(A) Is diagnosed with any type of diabetes by the recipient's primary care physician or another licensed health care provider whose authorized scope of practice includes the diagnosis of diabetes and:**

**(i) Is treated with insulin; or**

**(ii) Has a history of severe hypoglycemia; or**

**(B) Is diagnosed with gestational diabetes by the recipient's primary care physician or another licensed health care provider whose authorized scope of practice includes the diagnosis of gestational diabetes; and**

**(b) Attends a visit with a health care provider to assess the efficacy of using the continuous glucose monitor to treat the recipient's diabetes:**

**(A) At least once every six months during the first 18 months after receiving a prescription for the continuous glucose monitor; and**

**(B) At least once every 12 months after the initial 18-month period.**

**SECTION 3. Section 2 of this 2025 Act becomes operative on January 1, 2026.**

**SECTION 4. The Oregon Health Authority may take any action, including seeking any federal approval necessary to implement the provisions of section 2 of this 2025 Act, before**

**NOTE:** Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted. New sections are in **boldfaced** type.

1 the operative date specified in section 3 of this 2025 Act that is necessary to enable the au-  
2 thority to exercise, on and after the operative date specified in section 3 of this 2025 Act, all  
3 of the duties, functions and powers conferred on the authority by section 2 of this 2025 Act.

4 SECTION 5. Section 2 of this 2025 Act applies to prescriptions issued on or after the op-  
5 erative date specified in section 3 of this 2025 Act.

6 SECTION 6. This 2025 Act being necessary for the immediate preservation of the public  
7 peace, health and safety, an emergency is declared to exist, and this 2025 Act takes effect  
8 on its passage.
