

# House Bill 3017

Sponsored by Representative NERON (Pre-session filed.)

## SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**. The statement includes a measure digest written in compliance with applicable readability standards.

Digest: The Act would tell OHA to study the risks to human health of chemicals in some products. (Flesch Readability Score: 75.1).

Requires the Oregon Health Authority to study the risks to human health of chemicals in menstrual, intimate care and incontinence products. Directs the authority to submit findings to the interim committees of the Legislative Assembly related to public health no later than September 15, 2026.

Sunset on January 2, 2027.
