

House Bill 3308

Sponsored by Representative EVANS

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**. The statement includes a measure digest written in compliance with applicable readability standards.

Digest: The Act says that certain government facilities must keep a three-week fuel supply. The Act also says that governments must use renewable diesel fuel. (Flesch Readability Score: 62.1).

Requires certain strategically important state and local government facilities to maintain a three-week fuel supply beginning in 2031. Requires all state and local government facilities to use renewable diesel for all diesel fuel requirements beginning in 2028.

A BILL FOR AN ACT

1
2 Relating to fuel.

3 **Be It Enacted by the People of the State of Oregon:**

4 **SECTION 1. (1) The Oregon Department of Emergency Management shall identify facilities**
5 **owned or operated by the state government, as defined in ORS 174.111, or a local gov-**
6 **ernment, as defined in ORS 174.116, that currently store fuel and that are of strategic**
7 **importance for emergency response.**

8 **(2) On and after January 1, 2031, facilities identified under subsection (1) of this section**
9 **shall store and maintain fuel sufficient for at least three weeks of normal usage.**

10 **SECTION 2. Cities with a population of at least 50,000 people shall report their plans to**
11 **comply with section 1 of this 2025 Act to the Oregon Department of Emergency Management**
12 **on or before January 1, 2027.**

13 **SECTION 3. (1) All facilities owned or operated by the state government or a local gov-**
14 **ernment shall use renewable diesel for all diesel fuel requirements.**
