(c) The department’s contract with the child-caring agency meets the criteria under subsection

1 (3) of this section.

2 (2)(a) The department shall license an out-of-state child-caring agency pursuant to the same  
3 licensure requirements the department would impose if the out-of-state child-caring agency was lo-  
4 cated in this state.

5 (b) Notwithstanding paragraph (b) of Article V of the Interstate Compact on the Placement of  
6 Children and ORS 417.230, the department may not delegate the department's licensing, visitation,  
7 inspection, investigation or supervision of an out-of-state child-caring agency licensed by the de-  
8 partment to provide care or services to an Oregon child **unless the out-of-state child-caring**  
9 **agency is an adoption agency or foster care agency, or a provider of similar services, utilized**  
10 **for the purpose of placements in compliance with paragraph (b) of Article V of the Interstate**  
11 **Compact on the Placement of Children and ORS 417.230.**

12 (3)(a) The department shall review the department's contract with an out-of-state child-caring  
13 agency prior to placing a child with the child-caring agency.

14 (b) The contract must, at a minimum, meet the following criteria:

15 (A) At the time the contract is executed, the child-caring agency must provide the department  
16 with a current list of every entity for which the child-caring agency is providing placement services.

17 (B) No later than 15 days after accepting placement of a child from a new entity, the child-  
18 caring agency must notify the department in writing of the child-caring agency's association with  
19 the new entity. The notice must include the name and contact information of the new entity and the  
20 name and contact information of an individual associated with the new entity.

21 (C) The child-caring agency must make mandatory reports of child abuse, as defined in ORS  
22 418.257 and 419B.005, involving Oregon children both to the centralized child abuse reporting system  
23 described in ORS 418.190 and as required under the laws of the state in which the child-caring  
24 agency is located.

25 (D) The child-caring agency must allow the department full access to the child-caring agency's  
26 facilities, residents, records and personnel as necessary for the department to conduct child abuse  
27 investigations and licensing activities or investigations.

28 (E) The child-caring agency must notify the department in writing no later than three business  
29 days after any state determines that an allegation of child abuse or a license violation involving the  
30 child-caring agency is founded, regardless of whether the child abuse or violation involves an  
31 Oregon child.

32 (F) The child-caring agency must notify the department in writing no later than three business  
33 days after the child-caring agency receives notice from any other state imposing a restriction on  
34 placement of children with the child-caring agency, suspending or revoking the child-caring agency's  
35 license with that state or indicating the state's intent to suspend or revoke the child-caring agency's  
36 license with that state.

37 (G) The child-caring agency must notify the department immediately, verbally and in writing:

38 (i) Any time a child from any state who is in the care of the child-caring agency dies, is sexually  
39 assaulted or suffers serious physical injury; or

40 (ii) When the child-caring agency becomes aware of any criminal investigation, arrest or crimi-  
41 nal charges involving an agency staff member if the alleged offense involved a child or could have  
42 reasonably posed a risk to the health, safety or welfare of a child.

43 (H) Except with respect to protected information described in ORS 418.256 (5), the child-caring  
44 agency may not ask or require an employee or volunteer to sign a nondisclosure or other agreement  
45 prohibiting the employee or volunteer from the good faith disclosure of information concerning the

1 abuse or mistreatment of a child who is in the care of the child-caring agency, violations of licensing  
2 or certification requirements, criminal activity at the child-caring agency, violations of state or  
3 federal laws or any practice that threatens the health and safety of a child in the care of the  
4 child-caring agency.

5 (I) The child-caring agency must ensure staffing ratio and staff training and education require-  
6 ments that meet, at a minimum, the standards set by the department by rule for intensive behavioral

12 (L) The child-caring agency must identify a child by the child's preferred name and pronouns  
13 and may not implement a dress code that prohibits or requires clothing on the basis of biological  
14 sex.

15 (M) Genetic testing, including testing for psychopharmacological purposes, must be approved by  
16 a court and may not be included as a standing order for a child in care.

17 (N) Neither the child-caring agency nor its contractors or volunteers may use chemical or me-  
18 chanical restraints on a child, including during secure transport.

19 (O) The child-caring agency must ensure that the use of any psychotropic medications for a child  
20 placed with the child-caring agency by the department is in compliance with ORS 418.517 and any  
21 rules regarding psychotropic medications adopted by the department.

22 (4) The department shall develop rules outlining a process for review of the out-of-state place-  
23 ment of a child who is identified as a child with an intellectual or developmental disability or who  
24 is suspected of having an intellectual or developmental disability. At a minimum, the rules must:

25 (a) Identify a process for expediting review of the child's eligibility for developmental disability  
26 services.

27 (b) Require that a multidisciplinary review team, including administrators in the developmental  
28 disability services program, review the placement before the child is placed out-of-state.

29 (c) Require that a multidisciplinary team, including administrators in the developmental disa-  
30 bility services program, monitor the progress of the child in the out-of-state placement.

31 (d) Require that contracts for placement of the child ensure that the child has the same rights  
32 and protections that the child would have if the child was placed in this state.

33 (5)(a) A department child welfare services employee must accompany a child who is placed in  
34 an out-of-state child-caring agency any time the child is transported to an initial out-of-state place-  
35 ment, any time the child is moved to a new placement and any time the child is moved by secure  
36 transport.

37 (b) Notwithstanding paragraph (a) of this subsection, if a child placed in an out-of-state child-  
38 caring agency requires secure transport from the out-of-state placement due to an emergency, a de-  
39 partment child welfare services employee is not required to accompany the child if the time it would  
40 take for the employee to travel to the child's out-of-state location would pose a risk to the health,  
41 safety or welfare of the child. If a department child welfare services employee does not accompany  
42 a child transported to an alternate out-of-state placement, as provided in this paragraph, the child  
43 welfare services employee must immediately travel to meet the child at the new out-of-state facility.

44 (6)(a) As used in this subsection, "juvenile offender" means a person under 18 years of age who  
45 has or is alleged to have committed an act that is a violation, or, if done by an adult, would con-

1     stitute a violation, of a law or ordinance of the United States or a county or city in this state.

2         (b) Except as provided in paragraph (c) of this subsection, the department may not place a child  
3     in an out-of-state child-caring agency if the child-caring agency provides care to juvenile offenders.

4         (c) The department may place a child in an out-of-state child-caring agency that provides care

6         (A) The child-caring agency is a qualified residential treatment program licensed by the de-  
7     partment;

8         (B) The child-caring agency maintains site-specific accreditation from a nationally recognized  
9     organization;

10        (C) The child being placed is a juvenile offender; and

11        (D) Prior to the hearing to approve the placement, the court and all parties to the dependency  
12     case have been informed of the nature of the services offered by the program and of the population  
13     served by the program, and the court, having considered the nature of the services and composition  
14     of the facility population and the report of the qualified individual, has found that placement in the  
15     facility is the least restrictive setting available to appropriately meet the child's treatment needs.

16        **(7)(a) Notwithstanding ORS 418.322, the department may place a child in an out-of-state**  
17     **placement without requiring the placement to be licensed or under contract, as described in**  
18     **subsection (1) of this section, or a qualified residential treatment program as described in**  
19     **ORS 418.323 if:**

20        **(A)(i) The child requires specialized services and treatment and no suitable child-caring**  
21     **agency placements are available in this state; and**

22        **(ii) The services and treatment are authorized by the responsible Medicaid entity for**  
23     **coverage by Medicaid;**

25     **treatment center funded by the Indian Health Service;**

26        **(C)(i) The placement is an out-of-state child-caring agency;**

27        **(ii) The child resides in a placement subject to the Interstate Compact on the Placement**  
28     **of Children that is located in the same state as or a neighboring state to the child-caring**  
29     **agency; and**

30        **(iii) The child-caring agency provides the types of inpatient treatment, medical care or**  
31     **services that the child requires, consistent with rules adopted by the Oregon Health Au-**  
32     **thority for the administration of the authority's program providing benefits for children and**  
33     **young adults with special health needs;**

34        **(D) The out-of-state placement is approved by an adoption agency or foster care agency,**  
35     **or provider of similar services, in the state of placement and the adoption agency or foster**  
36     **care agency provides licensing services in compliance with paragraph (b) of Article V of the**  
37     **Interstate Compact on the Placement of Children and ORS 417.230; or**

38        **(E)(i) The nearest medically necessary and appropriate services or treatment to the**  
39     **child's community is in a neighboring state;**

40        **(ii) Accessing services or treatment out of state maintains the child's connection to the**  
41     **child's community; and**

42        **(iii) The services or treatment are consistent with rules adopted by the Oregon Health**  
43     **Authority for the administration of the authority's program providing benefits for children**

(d) When the department places a child in an out-of-state placement under this subsection, the department shall provide written notice of the placement to the office of the Governor and the System of Care Advisory Council within seven days following the date of placement.

(e) All approvals of the exceptions in this subsection must be made by the director of the division of the department that administers the state child welfare program or the director's designee.
