OREGON RAINY DAY FUND INTEREST

SECTION 5. ORS 293.144 is amended to read:

293.144. (1) The Oregon Rainy Day Fund is established as an account in the General Fund.

(2) The Legislative Assembly may appropriate moneys from the Oregon Rainy Day Fund only if the appropriation is approved by three-fifths of the members serving in each house of the Legislative Assembly and the Legislative Assembly finds one of the following:

(a) That the last quarterly economic and revenue forecast for a biennium indicates that moneys available to the General Fund for the next biennium will be at least three percent less than appropriations from the General Fund for the current biennium;

(b) That there has been a decline for two or more consecutive quarters in the last 12 months in seasonally adjusted nonfarm payroll employment; or

(c) That a quarterly economic and revenue forecast projects that revenues in the General Fund in the current biennium will be at least two percent below what the revenues were projected to be in the revenue forecast on which the legislatively adopted budget for the current biennium was based.

(3) Once each month, the Oregon Department of Administrative Services shall calculate the amount of General Fund interest that is attributable to moneys in the Oregon Rainy Day Fund. Except as otherwise provided in ORS 293.148, the department shall [*transfer the amount calculated under this subsection to the Oregon Rainy Day Fund.*]:

(a) Transfer 6.7 percent of the amount calculated to the Landscape Resiliency Fund established under ORS 477.502;

(b) Transfer 13.3 percent of the amount calculated to the Community Risk Reduction Fund established under ORS 476.396; and

(c) Transfer 80 percent of the amount calculated to the Oregon Rainy Day Fund.

(4) The Legislative Assembly may not appropriate for any one biennium more than two-thirds of the amount that is in the Oregon Rainy Day Fund at the beginning of that biennium. If the appropriation is for a biennium that has not yet begun, the Legislative Assembly may use as the base the most recent estimate of the amount that will be in the Oregon Rainy Day Fund at the beginning of the biennium for which the appropriation is made.

(5) As used in this section, "legislatively adopted budget" has the meaning given that term in ORS 291.002.

SECTION 5a. ORS 293.148, as amended by section 1, chapter 98, Oregon Laws 2024, is amended to read:

293.148. (1) If the moneys in the Oregon Rainy Day Fund established by ORS 293.144 just prior to the time of a transfer scheduled under ORS 293.144 (3)(c) or 293.146 equal at least 12.5 percent of the amount of General Fund revenues collected during the prior biennium, moneys that would otherwise be transferred to the Oregon Rainy Day Fund shall be deposited in the General Fund.

(2) If the moneys in the Oregon Rainy Day Fund just prior to the time of a transfer scheduled under ORS 293.144 (3)(c) or 293.146 do not equal at least 12.5 percent of the amount of General Fund revenues collected during the prior biennium, the transfer to the Oregon Rainy Day Fund shall be made regardless of whether that transfer increases the amount in the Oregon Rainy Day Fund to at least 12.5 percent of the amount of General Fund revenues collected during the prior biennium.

FOREST PRODUCTS HARVEST TAX FOR

WILDFIRE MITIGATION AND SUPPRESSION

SECTION 5b. ORS 321.011 is amended to read:

321.011. The prevention and suppression of, **and preparedness for**, forest fires on forestlands for the preservation of forest resources and the continuous growth of timber on lands suitable therefor, are declared to be the public policy of the State of Oregon. The Legislative Assembly recognizes that:

(1) The forested areas situated within eastern Oregon predominate in Ponderosa pine trees and associated species, and that the forested areas situated within western Oregon predominate in Douglas fir and associated species;

(2) Because of this difference in species, different forest fire protection problems exist in eastern and western Oregon, and different logging conditions and circumstances in each necessitate varied forest practices in the disposal of forest slashings and debris; and

(3) Therefore, in order to give recognition to such differences and their effect on the accomplishment of the public policy stated in this section, certain classifications of forestlands within the State of Oregon are established by ORS 321.005 to 321.185 and 321.560 to 321.600.

SECTION 5c. ORS 321.012 is amended to read:

321.012. The Legislative Assembly finds that it is in the interest of the State of Oregon that the public as a whole share responsibility for protecting the forests of this state, by making funds available [*from time to time*] for suppression of fires [*caused by the public*].

SECTION 6. ORS 321.015 is amended to read:

321.015. (1) For the calendar years beginning January 1, 2024, and January 1, 2025, there is levied a privilege tax of 90.00 cents per thousand feet, board measure, upon taxpayers for the privilege of harvesting of all merchantable forest products harvested on forestlands. Subject to ORS 321.145, the proceeds of the tax shall be transferred as provided in ORS 321.152 (2) to the Forest Research and Experiment Account for use for the forest resource research, experimentation and studies described in ORS 526.215 and for the Forest Research Laboratory established under ORS 526.225.

(2)(a) [*Except as provided in ORS 477.760,*] In addition to the tax levied by subsection (1) of this section, there is levied a forest products harvest tax upon taxpayers of [*62.5 cents*] **one dollar** per thousand feet, board measure, for the privilege of harvesting all merchantable forest products harvested on forestlands for the payment of benefits related to fire suppression as provided in ORS 321.005 to 321.185, 321.560 to 321.600 and 477.440 to 477.460.

(b)(A) The rate set under paragraph (a) of this subsection for any calendar year shall be adjusted by the percentage, if any, by which the monthly averaged Consumer Price Index for All Urban Consumers, West Region (All Items) for the 12 consecutive months ending August 31 of the prior calendar year exceeds the monthly averaged index for the 12 consecutive months ending August 31, 2024.

(B) The adjusted rate computed under subparagraph (A) of this paragraph shall be rounded to the nearest one-tenth of a cent.

(3) For the calendar years beginning January 1, 2024, and January 1, 2025, in addition to the taxes levied under subsections (1) and (2) of this section, there is levied a privilege tax upon taxpayers for the privilege of harvesting all merchantable forest products harvested on forestlands in the amount of 253.46 cents per thousand feet, board measure, for the purpose of administering the Oregon Forest Practices Act in an amount not to exceed 40 percent of the total expenditures approved by the Legislative Assembly for this purpose, including salary adjustments approved by the Legislative Assembly for fiscal years 2024 and 2025.

(4) For the calendar years beginning January 1, 2024, and January 1, 2025, in addition to the taxes levied by subsections (1) to (3) of this section, there is levied a privilege tax of 21 cents per thousand feet, board measure, upon taxpayers for the privilege of harvesting all merchantable forest products harvested on forestlands. Subject to ORS 321.145, the proceeds of the tax shall be transferred as provided in ORS 321.152 (5) to the subaccount established pursuant to ORS 350.520 for use

by Oregon State University for the purpose of making investments in professional forestry education at the College of Forestry.

(5) Subject to subsection (6) of this section, the taxes shall be measured by and be applicable to each per thousand feet, board measure, on the total quantity of forest products harvested in this state measured by use of any log scale which is or may be in general use in the logging industry and which is designed to measure total volume of merchantable forest products in board feet. However, if the Department of Revenue finds that the scale used by any taxpayer in computing the taxes due under ORS 321.005 to 321.185 and 321.560 to 321.600 does not accurately reflect the total quantity of merchantable forest products harvested by the taxpayer, it may require the taxpayer to adopt another log scale in general use in the industry which in the department's opinion will accurately reflect merchantable harvest in board feet.

(6) The first 25,000 feet, board measure, of forest products harvested annually by any taxpayer during each calendar year shall be excluded from the total quantity of harvested forest products that constitutes the measure of the taxes under ORS 321.005 to 321.185 and 321.560 to 321.600.

(7)(a) Not later than March 10 of each odd-numbered year, the Legislative Assembly shall begin considering the biennial forest products harvest tax rates levied under subsections (1), (3) and (4) of this section.

(b) Upon request of the Legislative Revenue Officer or the Legislative Fiscal Officer, the State Forestry Department shall provide the respective officers with relevant timber harvest data for the purposes of paragraph (a) of this subsection.

SECTION 7. The amendments to ORS 321.015 by section 6 of this 2025 Act apply to calendar years beginning on or after January 1, 2026.

SECTION 8. ORS 321.005 is amended to read:
