38 section for which the maximum amount of taxes imposed has been determined under this section. If  
39 the unit of property is subject to imposition of additional taxes due to disqualification from special  
40 assessment or partial exemption, the determination of the maximum amount of additional taxes that  
41 may be imposed due to disqualification shall be made on the basis of the real market value of the  
42 property for the year to which the additional taxes relate.

43 “**SECTION 23.** ORS 311.812 is amended to read:
