**PROPOSED AMENDMENTS TO  
SENATE BILL 565**

1 Delete lines 4 through 10 of the printed bill and insert:

2 **SECTION 1.** (1) The State Parks and Recreation Department shall  
3 study:

4 “(a) Options to establish a sustainable funding model to address revenue  
5 shortfalls from current state park operations.

6 “(b) The feasibility of operating the state parks system in a manner that  
7 generates sufficient revenue to cover the expenses of operating the state  
8 parks system.

9 “(c) Aspects of department operations or programming that generate dis-  
10 proportionate funding or revenue or that may be better suited for a different  
11 organizational structure.

12 “(d) Statutory or regulatory barriers to addressing the unique needs of the  
13 state parks system.

14 “(e) The feasibility of expanding state campgrounds in high demand areas,  
15 including within 25 miles of the Oregon coast.

16 “(f) The feasibility of addressing maintenance or repair needs of the aging  
17 infrastructure in the state parks system for future generations.

18 “(g) Options to establish revenue sources to provide sustainable funding  
19 to meet the recreational needs of Oregonians while protecting and preserving  
20 Oregon’s natural environment for future generations.”.
