

SB 1177-1
(LC 3980)
4/3/25 (CMT/ps)

Requested by Senator GOLDEN

**PROPOSED AMENDMENTS TO
SENATE BILL 1177**

1 On page 2 of the printed bill, line 3, delete “wildfire mitigation and
2 community adaptation to wildfire risk” and insert “response to and sup-
3 pression of wildfire, and programs to reduce wildfire risk in Oregon com-
4 munities”.

5 Delete lines 7 through 16 and insert:

6 “(3)(a) For each biennium, the Legislative Assembly shall appropriate at
7 least \$50 million, or the interest earned by the fund if the interest is not
8 equal to at least \$50 million for the biennium, from the fund, to be used by
9 community risk reduction programs.

10 “(b) After the appropriation required by paragraph (a) of this subsection,
11 any remaining interest earned by the fund for the biennium may be expended
12 for programs for wildfire response and suppression.”.
