1 “(b) A local government is not required to provide a hearing, as

17 to appeal with the Land Use Board of Appeals.

18 “(2) Except as provided in ORS 197.620, a person may petition the board

21 section (1) of this section; and

22 “(b) Appeared before the local government, special district or state agency
23 orally or in writing.

24 “(3) If a local government makes a land use decision without providing
25 a hearing, except as provided under ORS 215.416 (11) or 227.175 (10), or the
26 local government makes a land use decision that is different from the pro-
27 posal described in the notice of hearing to such a degree that the notice of
28 the proposed action did not reasonably describe the local government’s final
29 actions, a person adversely affected by the decision may appeal the decision
30 to the board under this section:

1 “(a) Within 21 days of actual notice where notice is required; or

2 “(b) Within 21 days of the date a person knew or should have known of
3 the decision where no notice is required.

4 “(4) If a local government makes a land use decision without a hearing
5 pursuant to ORS 215.416 (11) or 227.175 (10):

6 “(a) A person who was not provided notice of the decision as required
7 under ORS 215.416 (11)(c) or 227.175 (10)(c) may appeal the decision to the
8 board under this section within 21 days of receiving actual notice of the
9 decision.

10 “(b) A person who is not entitled to notice under ORS 215.416 (11)(c) or
11 227.175 (10)(c) but who is adversely affected or aggrieved by the decision may
12 appeal the decision to the board under this section within 21 days after the
13 expiration of the period for filing a local appeal of the decision established
14 by the local government under ORS 215.416 (11)(a) or 227.175 (10)(a).

15 “(c) A person who receives notice of a decision made without a hearing
16 under ORS 215.416 (11) or 227.175 (10) may appeal the decision to the board
17 under this section within 21 days of receiving actual notice of the nature of
18 the decision, if the notice of the decision did not reasonably describe the
19 nature of the decision.

20 “(d) Except as provided in paragraph (c) of this subsection, a person who
21 receives notice of a decision made without a hearing under ORS 215.416 (11)
22 or 227.175 (10) may not appeal the decision to the board under this section.

23 “(5) If a local government makes a limited land use decision which is
24 different from the proposal described in the notice to such a degree that the
25 notice of the proposed action did not reasonably describe the local
26 government’s final actions, a person adversely affected by the decision may
27 appeal the decision to the board under this section:

28 “(a) Within 21 days of actual notice where notice is required; or

29 “(b) Within 21 days of the date a person knew or should have known of
30 the decision where no notice is required.

1 “(6) The appeal periods described in subsections (3), (4) and (5) of this
2 section:

3 “(a) May not exceed three years after the date of the decision, except as
4 provided in paragraph (b) of this subsection.

5 “(b) May not exceed 10 years after the date of the decision if notice of a
6 hearing or an administrative decision made pursuant to ORS 197.195 or
7 197.797 **or section 3 of this 2025 Act** is required but has not been provided.

8 “(7)(a) Within 21 days after a notice of intent to appeal has been filed
9 with the board under subsection (1) of this section, any person described in
10 paragraph (b) of this subsection may intervene in and be made a party to the
11 review proceeding by filing a motion to intervene and by paying a filing fee
12 of \$100.

13 “(b) Persons who may intervene in and be made a party to the review
14 proceedings, as set forth in subsection (1) of this section, are:

15 “(A) The applicant who initiated the action before the local government,
16 special district or state agency; or

17 “(B) Persons who appeared before the local government, special district
18 or state agency, orally or in writing.

19 “(c) Failure to comply with the deadline or to pay the filing fee set forth
20 in paragraph (a) of this subsection shall result in denial of a motion to in-
21 tervene.

22 “(8) If a state agency whose order, rule, ruling, policy or other action is
23 at issue is not a party to the proceeding, it may file a brief with the board
24 as if it were a party. The brief shall be due on the same date the respondent’s
25 brief is due and shall be accompanied by a filing fee of \$100.

26 “(9) A notice of intent to appeal a land use decision or limited land use
27 decision shall be filed not later than 21 days after the date the decision
28 sought to be reviewed becomes final. A notice of intent to appeal plan and
29 land use regulation amendments processed pursuant to ORS 197.610 to
30 197.625 shall be filed not later than 21 days after notice of the decision

sought to be reviewed is mailed or otherwise submitted to parties entitled to notice under ORS 197.615. Failure to include a statement identifying when, how and to whom notice was provided under ORS 197.615 does not render the notice defective. Copies of the notice of intent to appeal shall be served upon the local government, special district or state agency and the applicant of record, if any, in the local government, special district or state agency proceeding. The notice shall be served and filed in the form and manner prescribed by rule of the board and shall be accompanied by a filing fee of \$300. If a petition for review is not filed with the board as required in subsections (10) and (11) of this section, the board shall award the filing fee to the local government, special district or state agency.

“(10)(a) Within 21 days after service of the notice of intent to appeal, the local government, special district or state agency shall transmit to the board the original or a certified copy of the entire record of the proceeding under review. By stipulation of all parties to the review proceeding the record may be shortened. The board may require or permit subsequent corrections to the record; however, the board shall issue an order on a motion objecting to the record within 60 days of receiving the motion. If the board denies a petitioner’s objection to the record, the board may establish a new deadline for the petition for review to be filed that may not be less than 14 days from the later of the original deadline for the brief or the date of denial of the petitioner’s record objection.

“(b) Within 10 days after service of a notice of intent to appeal, the board shall provide notice to the petitioner and the respondent of their option to enter into mediation pursuant to ORS 197.860. Any person moving to intervene shall be provided such notice within seven days after a motion to intervene is filed. The notice required by this paragraph shall be accompanied by a statement that mediation information or assistance may be obtained from the Department of Land Conservation and Development.

“(11) A petition for review of the land use decision or limited land use

1 decision and supporting brief shall be filed with the board as required by the
2 board under subsection (13) of this section.

3 “(12) The petition shall include a copy of the decision sought to be re-
4 viewed and shall state:

5 “(a) The facts that establish that the petitioner has standing.

6 “(b) The date of the decision.

7 “(c) The issues the petitioner seeks to have reviewed.

8 “(13)(a) The board shall adopt rules establishing deadlines for filing pe-
9 titions and briefs and for oral argument.

10 “(b) The local government or state agency may withdraw its decision for
11 purposes of reconsideration at any time:

12 “(A) Subsequent to the filing of a notice of intent; and

13 “(B) Prior to:

14 “(i) The date set for filing the record; or

15 “(ii) On appeal of a decision under ORS 197.610 to 197.625 or relating to
16 the development of a residential structure, the filing of the respondent’s
17 brief.

18 “(c) If a local government or state agency withdraws an order for pur-
19 poses of reconsideration, it shall, within such time as the board may allow,
20 affirm, modify or reverse its decision. If the petitioner is dissatisfied with the
21 local government or agency action after withdrawal for purposes of recon-
22 sideration, the petitioner may refile the notice of intent and the review shall
23 proceed upon the revised order. An amended notice of intent is not required
24 if the local government or state agency, on reconsideration, affirms the order
25 or modifies the order with only minor changes.

26 “(14) The board shall issue a final order within 77 days after the date of
27 transmittal of the record. If the order is not issued within 77 days the ap-
28 plicant may apply in Marion County or the circuit court of the county where
29 the application was filed for a writ of mandamus to compel the board to issue
30 a final order.

1 “(15) Upon entry of its final order, the board:

2 “(a) May, in its discretion, award costs to the prevailing party including
3 the cost of preparation of the record if the prevailing party is the local
4 government, special district or state agency whose decision is under review.

5 “(b) Shall award reasonable attorney fees and expenses to the prevailing
6 party against any other party who the board finds presented a position or
7 filed any motion without probable cause to believe the position or motion
8 was well-founded in law or on factually supported information.

9 “(c) Shall award costs and attorney fees to a party as provided in ORS
10 197.843.

11 “(16) Orders issued under this section may be enforced in appropriate ju-
12 dicial proceedings.

13 “(17)(a) The board shall provide for the publication of its orders that are
14 of general public interest in the form it deems best adapted for public con-
15 venience. The publications shall constitute the official reports of the board.

16 “(b) Any moneys collected or received from sales by the board shall be
17 paid into the Board Publications Account established by ORS 197.832.

18 “(18) Except for any sums collected for publication of board opinions, all
19 fees collected by the board under this section that are not awarded as costs
20 shall be paid over to the State Treasurer to be credited to the General Fund.

21 “(19) The board shall track and report on its website:

22 “(a) The number of reviews commenced, as described in subsection (1) of
23 this section, the number of reviews commenced for which a petition is filed
24 under subsection (2) of this section and, in relation to each of those numbers,
25 the rate at which the reviews result in a decision of the board to uphold,
26 reverse or remand the land use decision or limited land use decision. The
27 board shall track and report reviews under this paragraph in categories es-
28 tablished by the board.

29 “(b) A list of petitioners, the number of reviews commenced and the rate
30 at which the petitioner’s reviews have resulted in decisions of the board to

1 uphold, reverse or remand the land use decision or limited land use decision.

2 “(c) A list of respondents, the number of reviews involving each respond-
3 ent and the rate at which reviews involving the respondent have resulted in
4 decisions of the board to uphold, reverse or remand the land use decision or
5 limited land use decision. Additionally, when a respondent is the local gov-
6 ernment that made the land use decision or limited land use decision, the
7 board shall track whether the local government appears before the board.

8 “(d) A list of reviews, and a brief summary of the circumstances in each
9 review, under which the board exercises its discretion to require a losing
10 party to pay the attorney fees of the prevailing party.

11 **“SECTION 5.** ORS 197.835 is amended to read:

12 “197.835. (1)(a) The Land Use Board of Appeals shall review the land use
13 decision or limited land use decision and prepare a final order affirming,
14 reversing or remanding the land use decision or limited land use decision.

15 “(b) If a local government demonstrates that a land use decision adopting
16 a change to an acknowledged comprehensive plan or land use regulation
17 contains a severability clause and specifically challenged portions of the
18 changes may be reasonably severable from the remainder of the changes, the
19 board may affirm in part. Reasonably severable means the remaining parts,
20 standing alone, are complete and capable of being executed with the legis-
21 lative intent. The affirmed parts are not affected by the reversal or remand,
22 continue in effect and are considered acknowledged as described in ORS
23 197.625.

24 “(c) The board shall adopt rules defining the circumstances in which it
25 will reverse rather than remand a land use decision or limited land use de-
26 cision or part of a decision that is not affirmed.

27 “(2)(a) Review of a decision under ORS 197.830 to 197.845 shall be confined
28 to the record.

29 “(b) In the case of disputed allegations of standing, unconstitutionality
30 of the decision, ex parte contacts, actions described in subsection (10)(a)(B)

1 of this section or other procedural irregularities not shown in the record
2 that, if proved, would warrant reversal or remand, the board may take evi-
3 dence and make findings of fact on those allegations. The board shall be
4 bound by any finding of fact of the local government, special district or state
5 agency for which there is substantial evidence in the whole record.

6 “(3) The board may only review issues raised by any participant before
7 the local hearings body as provided by ORS 197.195, 197.622 or 197.797 **or**
8 **section 3 of this 2025 Act**, whichever is applicable.

9 “(4) A petitioner may raise new issues to the board regarding a quasi-
10 judicial decision made under ORS 197.195 or 197.797 **or section 3 of this**
11 **2025 Act** only if:

12 “(a) The local government failed to list the applicable criteria for a de-
13 cision under ORS 197.195 (3)(c) or 197.797 (3)(b) **or section 3 (5)(c) of this**
14 **2025 Act**, in which case a petitioner may raise new issues based upon ap-
15 plicable criteria that were omitted from the notice. However, the board may
16 refuse to allow new issues to be raised if it finds that the issue could have
17 been raised before the local government; or

18 “(b) The local government made a land use decision or limited land use
19 decision which is different from the proposal described in the notice to such
20 a degree that the notice of the proposed action did not reasonably describe
21 the local government’s final action.

22 “(5) The board shall reverse or remand a land use decision not subject to
23 an acknowledged comprehensive plan and land use regulations if the decision
24 does not comply with the goals. The board shall reverse or remand a land
25 use decision or limited land use decision subject to an acknowledged com-
26 prehensive plan or land use regulation if the decision does not comply with
27 the goals and the Land Conservation and Development Commission has is-
28 sued an order under ORS 197.320 or adopted a new or amended goal under
29 ORS 197.245 requiring the local government to apply the goals to the type
30 of decision being challenged.

1 “(6) The board shall reverse or remand an amendment to a comprehensive
2 plan if the amendment is not in compliance with the goals.

3 “(7) The board shall reverse or remand an amendment to a land use reg-
4 ulation or the adoption of a new land use regulation if:

5 “(a) The regulation is not in compliance with the comprehensive plan; or

6 “(b) The comprehensive plan does not contain specific policies or other
7 provisions which provide the basis for the regulation, and the regulation is
8 not in compliance with the statewide planning goals.

9 “(8) The board shall reverse or remand a decision involving the applica-
10 tion of a plan or land use regulation provision if the decision is not in
11 compliance with applicable provisions of the comprehensive plan or land use
12 regulations.

13 “(9) In addition to the review under subsections (1) to (8) of this section,
14 the board shall reverse or remand the land use decision under review if the
15 board finds:

16 “(a) The local government or special district:

17 “(A) Exceeded its jurisdiction;

18 “(B) Failed to follow the procedures applicable to the matter before it in
19 a manner that prejudiced the substantial rights of the petitioner;

20 “(C) Made a decision not supported by substantial evidence in the whole
21 record;

22 “(D) Improperly construed the applicable law; or

23 “(E) Made an unconstitutional decision; or

24 “(b) The state agency made a decision that violated the goals.

25 “(10)(a) The board shall reverse a local government decision and order the
26 local government to grant approval of an application for development denied
27 by the local government if the board finds:

28 “(A) Based on the evidence in the record, that the local government de-
29 cision is outside the range of discretion allowed the local government under
30 its comprehensive plan and implementing ordinances; or

1 “(B) That the local government’s action was for the purpose of avoiding
2 the requirements of ORS 215.427 or 227.178.

3 “(b) If the board does reverse the decision and orders the local govern-
4 ment to grant approval of the application, the board shall award attorney
5 fees to the applicant and against the local government.

6 “(11)(a) Whenever the findings, order and record are sufficient to allow
7 review, and to the extent possible consistent with the time requirements of
8 ORS 197.830 (14), the board shall decide all issues presented to it when re-
9 versing or remanding a land use decision described in subsections (2) to (9)
10 of this section or limited land use decision described in ORS 197.828 and
11 197.195.

12 “(b) Whenever the findings are defective because of failure to recite ade-
13 quate facts or legal conclusions or failure to adequately identify the stan-
14 dards or their relation to the facts, but the parties identify relevant evidence
15 in the record which clearly supports the decision or a part of the decision,
16 the board shall affirm the decision or the part of the decision supported by
17 the record and remand the remainder to the local government, with direction
18 indicating appropriate remedial action.

19 “(12) The board may reverse or remand a land use decision under review
20 due to ex parte contacts or bias resulting from ex parte contacts with a
21 member of the decision-making body, only if the member of the decision-
22 making body did not comply with ORS 215.422 (3) or 227.180 (3), whichever
23 is applicable.

24 “(13) Subsection (12) of this section does not apply to reverse or remand
25 of a land use decision due to ex parte contact or bias resulting from ex parte
26 contact with a hearings officer.

27 “(14) The board shall reverse or remand a land use decision or limited
28 land use decision which violates a commission order issued under ORS
29 197.328.

30 “(15) In cases in which a local government provides a quasi-judicial land

1 use hearing on a limited land use decision, the requirements of subsections
2 (12) and (13) of this section apply.

3 “(16) The board may decide cases before it by means of memorandum de-
4 cisions and shall prepare full opinions only in such cases as it deems proper.

5 **“SECTION 6. Sections 1 and 3 of this 2025 Act and the amendments**
6 **to ORS 197.830 and 197.835 by sections 4 and 5 of this 2025 Act become**
7 **operative July 1, 2026.**

8 **“SECTION 7. Section 8 of this 2025 Act is added to and made a part**
9 **of ORS chapter 197A.**

10 **“SECTION 8. (1) A local government may not apply residential de-**
11 **sign standards to an application for the development of housing within**
12 **an urban growth boundary unless the application is for the develop-**
13 **ment of fewer than 20 residential units.**

14 **“(2) This section does not apply to land use regulations or require-**
15 **ments that are related to setbacks, building height, accessibility, fire**
16 **ingress or egress, public health or safety, state or federal water quality**
17 **standards, hazardous or contaminated site cleanup or wildlife pro-**
18 **tection or that implement statewide land use planning goals relating**
19 **to natural resources, natural hazards, the Willamette River Greenway,**
20 **estuarine resources, coastal shorelands, beaches and dunes or ocean**
21 **resources.**
