

SB 1090-3
(LC 4070)
5/29/25 (TSB/ps)

Requested by JOINT COMMITTEE ON INFORMATION MANAGEMENT AND TECHNOLOGY

**PROPOSED AMENDMENTS TO
SENATE BILL 1090**

On page 1 of the printed bill, delete lines 4 through 27 and delete pages 2 and 3 and insert:

“SECTION 1. (1) As used in this section:

“(a) ‘Information technology’ means all present and future forms of hardware, software and services for data processing, office automation and telecommunications.

“(b) ‘State agency’ means a board, commission, department, division, office or other entity within the executive department, as defined in ORS 174.112, except:

“(A) The Secretary of State;

“(B) The State Treasurer;

“(C) The Oregon State Lottery; and

“(D) A public university that is listed in ORS 352.002.

“(2) The State Chief Information Officer shall adopt a policy and a procedure for state agencies to follow in requesting funding for information technology budgets and projects, including replacements, modernizations, upgrades and expansions of information technology systems. Each state agency that intends to request funding for a budget or project described in this subsection shall submit the request to the State Chief Information Officer and the office of Enterprise Information Services for review not later than the date in each

1 biennium that the State Chief Information Officer specifies.

2 “(3) The State Chief Information Officer, in collaboration with the
3 Legislative Fiscal Office, shall establish criteria for assigning priorities
4 among the budgets and projects described in subsection (2) of this
5 section.

6 “(4) The office of Enterprise Information Services, in collaboration
7 with affected state agencies, shall evaluate budget and project requests
8 the state agencies submit under subsection (2) of this section against
9 the criteria that the State Chief Information Officer and Legislative
10 Fiscal Office specify under subsection (3) of this section. The office of
11 Enterprise Information Services shall then recommend for the State
12 Chief Information Officer’s approval priority rankings of the requests
13 within the context of all of each state agency’s requests, the requests
14 in a program area and the requests that the executive department
15 submits as a whole. In recommending the ranking, the office of En-
16 terprise Information Services shall consider whether, and the extent
17 to which, a request:

18 “(a) Is consistent with and supports implementation of the Enter-
19 prise Information Resources Management Strategy described in ORS
20 276A.203 (4)(a)(M);

21 “(b) Involves or promotes the use of shared systems, resources or
22 data;

23 “(c) Uses commercially available systems or software;

24 “(d) Enhances the information security posture of the agency or the
25 state; and

26 “(e) Reduces system redundancies within an agency, a program area
27 or the state.

28 “(5) Not later than November 30 of the even-numbered year in each
29 biennium the State Chief Information Officer shall submit to the
30 Governor and the Joint Legislative Committee on Information Man-
