

HB 3592-5
(LC 715)
4/30/25 (CPA/ps)

Requested by Representative NGUYEN D

**PROPOSED AMENDMENTS TO
HOUSE BILL 3592**

1 On page 1 of the printed bill, delete lines 4 through 27 and delete pages
2 2 through 4 and insert:

3 **“SECTION 1. (1) The Senator Aaron Woods Commission on Artifi-**
4 **cial Intelligence is established within the Department of Justice. The**
5 **purpose of the commission is to:**

6 **“(a) Serve as a central resource for legislators to monitor trends in**
7 **and impacts from the use of artificial intelligence technologies; and**

8 **“(b) Identify and report on long-term policy implications in the use**
9 **of artificial intelligence technologies to assist policymakers in making**
10 **strategic, well-informed decisions that foster innovation while safe-**
11 **guarding the well-being of Oregonians.**

12 **“(2) The commission shall:**

13 **“(a) Conduct literature reviews of public policy issues around the**
14 **use of artificial intelligence technologies, including the benefits and**
15 **risks to the broader public and historically disadvantaged communi-**
16 **ties, taking into consideration equity, workforce impacts and ethical**
17 **concerns;**

18 **“(b) Conduct reviews of existing protections under federal, state and**
19 **local laws of individuals’ data and privacy rights, civil rights, intel-**
20 **lectual property rights and safety, and how federal, state and local**
21 **laws that apply to artificial intelligence technologies align, differ,**

1 conflict or interact;

2 “(c) Identify uses of artificial intelligence systems that present or
3 create a high risk to individuals, such as risks to individuals’ safety,
4 employment rights, civil rights or constitutional rights;

5 “(d) Identify opportunities to support or promote innovation and
6 economic growth in this state in artificial intelligence technologies
7 through the use of grants or incentives;

8 “(e) Provide recommendations on limitations on the use of artificial
9 intelligence;

10 “(f) Provide recommendations on educational opportunities that are
11 available in this state and policies to maximize those opportunities,
12 including workforce development, higher education and kindergarten
13 through grade 12 science, technology, engineering and mathematics
14 education;

15 “(g) Identify impacts from the use of artificial intelligence systems
16 on privacy interests of individuals in this state and what policies are
17 needed to protect individuals’ privacy interests from any diminution
18 caused by the use of artificial intelligence systems in the private or
19 public sector;

20 “(h) Identify impacts and opportunities related to the use of artifi-
21 cial intelligence systems on jobs and incomes in this state and re-
22 commend policies to protect jobs and incomes from adverse effects
23 from the use of artificial intelligence systems;

24 “(i) Review the state of education in this state around the uses of
25 artificial intelligence systems at the primary, secondary and post-
26 secondary education levels and identify at what level of education
27 different subjects that incorporate information about artificial intelli-
28 gence technologies, including ethics, are taught;

29 “(j) Provide recommendations relating to the industry-wide stan-
30 dards and legal use of data to train artificial intelligence models;

1 “(k) Conduct a review of issues around unlawful discrimination, on
2 the basis of race, color, national origin, creed, religion, sex, sexual
3 orientation, gender identity, disability, age, veteran or military status,
4 marital status, family status or any other protected class, from the
5 use of artificial intelligence systems and provide recommendations for
6 mitigating or protecting against such discrimination;

7 “(L) Provide recommendations on prioritizing transparency to im-
8 prove the understanding of the behavior and functional components
9 of artificial intelligence systems and enable the identification of per-
10 formance issues, safety and privacy concerns, biases, exclusionary
11 practices and unintended outcomes;

12 “(m) Conduct a review of legal and contractual protections for in-
13 dividual personhood against the use of artificial intelligence systems
14 to create an artificial replica, including an artificial replica of a
15 person’s voice, image or likeness; and

16 “(n) Conduct a review on the use of artificial intelligence systems
17 to support or make decisions around employment.

18 “(3) The commission shall consist of 14 voting members and four
19 nonvoting members as follows:

20 “(a) The President of the Senate and the Speaker of the House of
21 Representatives shall jointly appoint the following voting members:

22 “(A) Three members who represent business leagues, including
23 trade or professional associations.

24 “(B) Three members who represent workers, including from organ-
25 ized labor and trade or professional associations.

26 “(C) One member who represents consumer advocacy groups.

27 “(D) One member who represents the public universities listed in
28 ORS 352.002 or community colleges and has expertise in the design and
29 effects of artificial intelligence systems.

30 “(E) One member who represents the education system from early

1 learning through high school.

2 “(F) One member who has expertise in ethics and technology.

3 “(G) One member who has expertise in privacy and data protection.

4 “(H) One member who represents tribal governments.

5 “(b) The Governor shall appoint, subject to confirmation by the
6 Senate in the manner prescribed in ORS 171.562 and 171.565, the fol-
7 lowing voting members:

8 “(A) One member who represents communities that are dispropor-
9 tionately vulnerable to being harmed by algorithmic bias.

10 “(B) One member who represents public safety.

11 “(c) The nonvoting members shall be:

12 “(A) The Chief Artificial Intelligence Officer or the officer’s
13 designee.

14 “(B) The Commissioner of the Bureau of Labor and Industries or
15 the commissioner’s designee.

16 “(C) The Attorney General or the Attorney General’s designee.

17 “(D) The Chief Justice of the Supreme Court or the Chief Justice’s
18 designee.

19 “(4) The voting members of the commission must have experience
20 in technology policy.

21 “(5) The term of office of each voting member is three years. A
22 voting member serves at the pleasure of the appointing authority.
23 Before the expiration of the term of a voting member, the appointing
24 authority shall appoint a successor whose term begins on January 1
25 of the following year. A voting member may be reappointed. If there
26 is a vacancy for any cause, the appointing authority shall make an
27 appointment to become immediately effective for the unexpired term.

28 “(6)(a) The commission may establish one or more advisory sub-
29 committees to advise in an area impacted by artificial intelligence.
30 An advisory subcommittee may be established for an ongoing or lim-

1 ited duration. In establishing an advisory subcommittee, the commis-
2 sion shall define the advisory subcommittee's charge, subject area of
3 focus and scope of activity. An advisory subcommittee's subject area
4 of focus may include, but is not limited to, one or more of the fol-
5 lowing areas:

6 “(A) Workforce and labor;

7 “(B) Privacy and data;

8 “(C) Ethics and bias in health care, housing, law enforcement, ed-
9 ucation, civil rights or employment;

10 “(D) Education; or

11 “(E) Innovation.

12 “(b) Members of an advisory subcommittee are appointed by the
13 chairperson of the commission subject to approval by a majority of the
14 voting members of the commission.

15 “(c) An advisory subcommittee shall consist of no more than seven
16 members.

17 “(d) Members of an advisory subcommittee must represent a broad
18 and diverse cross section of stakeholders in the area advised on by the
19 advisory subcommittee and include, at a minimum, the following
20 members:

21 “(A) One member who has industry expertise relevant to the advi-
22 sory subcommittee's subject area of focus.

23 “(B) One member who represents an advocacy group.

24 “(C) One member who represents an organization that represents
25 work in an area that is relevant to the advisory subcommittee's sub-
26 ject area of focus.

27 “(e) Members of the commission may not serve on an advisory
28 subcommittee.

29 “(7) In carrying out the commission's duties, the commission shall
30 seek input from community members and state agencies, including the

1 Department of Education, Department of Consumer and Business
2 Services, Oregon Health Authority and State Department of Energy
3 and any other state agency.

4 “(8) On or before September 1 of each year, the commission shall
5 submit a report in the manner provided by ORS 192.245, and may in-
6 clude recommendations for legislation, regulations or policies, to the
7 Legislative Assembly.

8 “(9) A majority of voting members of the commission constitutes a
9 quorum for the transaction of business.

10 “(10) The commission shall elect one of its voting members to serve
11 as chairperson of the commission.

12 “(11) The commission shall meet at least once every three months
13 at times and places specified by the call of the chairperson or of a
14 majority of voting members of the commission.

15 “(12) Members of the commission shall be paid compensation and
16 expenses as provided in ORS 292.495 from such funds as may be avail-
17 able to the commission.

18 “(13) The Chief Artificial Intelligence Officer shall provide resources
19 and staffing required by the commission to carry out the commission’s
20 duties.

21 **“SECTION 2.** Notwithstanding the term of office specified in section
22 1 (5) of this 2025 Act, of the voting members first appointed to the
23 Senator Aaron Woods Commission on Artificial Intelligence:

24 “(1) Four shall serve for a term ending December 31, 2028.

25 “(2) Five shall serve for a term ending December 31, 2029.

26 “(3) Five shall serve for a term ending December 31, 2030.

27 **“SECTION 3.** (1) The Attorney General shall employ a Chief Artifi-
28 cial Intelligence Officer.

29 “(2) The Chief Artificial Intelligence Officer shall:

30 “(a) Assist and advise the Senator Aaron Woods Commission on

1 Artificial Intelligence established under section 1 of this 2025 Act; and

2 “(b) Provide policy and support staff to the commission to assist the
3 commission in carrying out the commission’s duties.

4 “SECTION 4. The Department of Justice may charge an assessment
5 to a state or local agency, officer, board or commission for the cost
6 incurred by the department or the Senator Aaron Woods Commission
7 on Artificial Intelligence in providing services related to artificial in-
8 telligence systems requested by a state or local agency, officer, board
9 or commission.

10 “SECTION 5. In addition to and not in lieu of any other appropri-
11 ation, there is appropriated to the Department of Justice, for the
12 biennium beginning July 1, 2025, out of the General Fund, the amount
13 of \$_____, which may be expended by the department to hire addi-
14 tional full-time employees to enable the Chief Artificial Intelligence
15 Officer to carry out the Chief Artificial Intelligence Officer’s duties
16 under sections 1 and 3 of this 2025 Act.”.
