Measure, Appointment or Topic: SB463

I SUPPORT [SB 463]. Good Job DAS!

I am appalled at the amount of tax-payer dollars are consumed by the issues raised in [SB 463].

How is it possible for Oregon, a "left leaning State" to have the staggering number of "civil rights claims."

I would recommend DAS report the "soundness of the state's insurance fund" on a "Quarterly" basis, to report status of the "State Insurance Fund" to identify problems and reduce "claims" by holding staff more accountable for their actions and other areas of losses identified by DAS.

David S. Wall

Mr. Oregon Concurs and says, "DAS should be empowered to act as a de facto Auditor. to reduce Insurance claims."
