Measure, Appointment or Topic: SB452

I work as a volunteer at Marion Polk Food Share and also have been that person in need of food help at one time the work and impact this organization has on the community is tremendous in such a positive helpful way. Food insecurities is beyond what ones eye can see in our community what Marion Polk Food Share does is amazing and there's the need for expansion to continue help feeding our people I support this measure for the benefited members and future of our community's Feed the hunger!
