Committee: Senate Committee On Human Services
Measure, Appointment or Topic: SB452

Dear Senate Committee:

I volunteer at the Volunteer Action Center at the Marion-Polk Food Share facility. The Marion-Polk Food Share facility is the first step in distribution of food throughout Marion and Polk counties. As you are well aware, the need for food banks in our communities has risen dramatically in the last few years. With this increase in demand we have outgrown our current facility. We need the funds to move to a larger facility to address the food needs of our communities.

Please approve the appropriation of grant funds from the General Fund to allow for the needed expansion.

Thank you in advance.

Bill Renfro
