

Submitter: Michael Noble

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure, Appointment or Topic: HB3119

I have been a truck driver for 25 years and have supported my family and community with driving diesel trucks. If they are banned I will have no way to support my family and community other than moving out of this great state. So please don't make it impossible for me to make a living and stay in Oregon.
