

Submitter: Elisabet Grato

On Behalf Of:

Committee: House Committee On Climate, Energy, and  
Environment

Measure, Appointment or  
Topic: HB3119

Regulating against diesel powered vehicles will be a hardship on many. From trucks to RVs, diesel engines provide the reliability and power Oregonians want and need.

I stand with Shelly Boshart Davis and support HB 3119. I encourage the Oregon Legislature to pass this bill.
