Regarding HB 2143

Chair Nosse, Vice Chairs Nelson and Javadi, and Members of the Committee. My name is Arabee Koch. I am a twenty six year resident of the State of Oregon.

I'm testifying and writing to you in support of Oregon House Bill 2143.

The 5 needle protocol is:

- Easily learned by lay individuals
- Broadly accessible
- Administered in a wide ranging type of environments

The 5NP treatment is used for treating alcoholism, substance abuse, trauma & chemical dependency. The 5 needle protocol can be an important tool to be used in fighting the opioid crisis.

So I sincerely urge you to vote in favor of HB 2143.

Thank you.

Arabee Koch
