

Submitter: Lee Weinstein
On Behalf Of:
Committee: House Committee On Revenue
Measure, Appointment or Topic: HB3190

Dear Legislators,

As someone who placed an 1891 Portland house on the National Register of Historic Places, and who restored that wonderful home, having access to financial incentives was key.

HB 3190 proposes, which re-enacts the Special Assessment for Historic Property program for commercial properties is also key to preserving and reusing our historic properties -- some of the things than make Oregon, Oregon.

Thank you for your support!
