On Behalf Of:  
Committee: House Committee On Revenue  
Measure, Appointment or Topic: HB3190

The Board of Directors of the University Park Neighborhood Association supports HB 3190 and urges you to support it and forward it to the full House.

HB 3190 proposes re-enacting the Special Assessment for Historic Property program focusing on commercial properties. It is Oregon's only financial incentive offered for historic properties, which ended last June. There are several properties that are in North Portland that could be assisted by this program.
