

Submitter: John Paul
On Behalf Of: Cameron Winery
Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water
Measure, Appointment or Topic: HB3131

This bill to aid the Oregon Agricultural Heritage Foundation is of fundamental importance to maintaining farms in the Willamette Valley and elsewhere in the state. This is part of the approach for saving farms that might otherwise go away. As a small farmer, myself, I am constantly grappling on how I am going to be able to pass on my farm to my children and grandchildren. This will help.
