The Tenmile Rural Fire District is run by volunteers except for our Chief and 2 parttimers. Without volunteers, we would not have a good fire department and the amount of time spent by each one of them is phenominal. They should have and need, the reward of a tax break for serving the public as they do. My husband is the oldest at 80 yrs, and we do support work for the station. We are not able to Fight Fire, but we wish we were able to do more.
