

Submitter: Michael Brainard

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3141

There is an urban - rural divide in Oregon. This bill would help those in the urban areas to learn about the farms that provide the food they buy at the local supermarkets.

It also informs urban learners that farming is a business too, and not every business is run from a desk and chair.
