Measure, Appointment or Topic: HB2200

To whom it may concern,

As a resident of Oregon and a PCP of precinct 56, I oppose HB2200 At a federal level the funds are no longer available. Thus, this will cause more weight on the Oregon Tax payer. This in my option will affect people in my precinct negatively. The people of Oregon are wearing thin, we need to stop the strain on Oregonians. Once again I oppose HB2200.
