

Submitter: Kendal Pelton

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: HB2200

I oppose HB2200

Please stop placing more bills on the Oregonians in a chase for science that is ever changing. Turn on Bonneville above 1/2 use and go back into proper timber management. These will both be climate saving and help our economy at the same time.
