

Submitter: Debra Watson

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: HB2200

This is my retirement! You will invest to maximize financial gain. No other reason is acceptable. Be assured if this passes it will cause under funding and total insolvency of PERS. I will sue the state for compelling my speech. You cannot force me to support climate change when no real science exists. This is ludicrous and inconceivable.
